

Steer and Gear is proud of our reputation as the leading producer of the highest quality remanufactured steering components in the industry.

Because we recognize customer satisfaction as one of the key elements to our continued success, we are always prepared to stand behind our products. We will work with you to resolve any problems or concerns you may have once you've received and properly installed your unit. We provide Flushing and Service Guide tags, (attached to every gear we sell), to assist you. We ask that you follow these instructions carefully. Failure to do so, may void the warranty, as stated below:

STEER & GEAR WARRANTIES ALL UNITS SOLD, REGARDLESS OF MILEAGE USED, FOR A PERIOD OF ONE YEAR. THE WARRANTY COVERS THE REPAIR OR REPLACEMENT, AT STEER AND GEAR'S OPTION, OF ANY DEFECTIVE PARTS OR WORKMANSHIP. IMPROPER INSTALLATION, OR OR OTHER ABUSE RESULTING IN DAMAGE TO THE UNIT MAY VOID YOUR WARRANTY.
